Riding Lights

The professional Christian theatre company Riding Lights are coming to Studley in September. They will be giving a public performance on the evening of Saturday 21 September. Please put this date in your diary, and consider who you might invite to join you. Riding Lights will be working in the community during the previous week, including at our two church schools and Four Acres care home. If you are excited by this wonderful opportunity to reach out to hundreds of people in and around Studley, and would like to help, please speak to Keith Johnson (01527-544830). Could you help with publicity, or provide food for the actors, or serve drinks etc at the public performance? Let's make this a significant event in the life of our church!

David Silvester

We welcome David, our former Rector, to preach at Mappleborough Church today.
